

WE ARE THE CHANGE

KANSAS CITY

October 25 – 27, 2019

2019 PFLAG NATIONAL CONVENTION

Sessions will be divided into four tracks:

Build the Future: Developing skills to build equality

In this track, you'll find critical, bedrock foundational learning sessions that will teach and strengthen core skills and provide ways to improve your changemaking toolbox by learning from experts. Workshops in this track will focus on personal and organizational skill-building in areas such as fundraising, support group facilitation, leadership development, diversity & inclusion and ally engagement.

Lead by Example: Expanding understanding through case studies

In this track, you'll find community-focused changemaking learning sessions that will demonstrate work that is happening in communities across the country, how to bring these strategies home, and ways to adapt them for where you live. Workshops in this track will focus on case studies demonstrate successes and challenges in areas such as coalition building, working with faith communities, and engaging diverse communities.

Raise Your Voice: Understanding and preparing for what's next

In this track, you'll find groundbreaking learning sessions that will open your eyes to new perspectives, diverse stories, and what is on the horizon in the fight for LGBTQ equality. Workshops in this track will focus on issue specific advocacy efforts at the local, state, & federal level, innovative programs serving diverse communities, and what to expect in 2020.

Interact in Roundtables: Share ideas, questions, and wisdom with advocates

Roundtable discussions on various topics to encourage dialogue, facilitate information sharing, and create long-term connection. These roundtable discussions will provide a space where those who elect to participate can talk about their successes and the challenges they continue to face as a part of a facilitated group discussion.
