

2020 PFLAG National Inclusion Grants

Examples of Fundable Projects

General Information:

With the generous support of the Walmart Foundation and Bank of America, PFLAG National is offering \$1,500 - \$5,000 grants to support the work of PFLAG chapters eager to develop resources, tools, and strategies for better serving marginalized and underserved communities, with a focus on communities of color and those living with disabilities.

We will also be offering micro-grants of \$500 to support chapters that would like to attend, participate in, and sponsor community-specific Pride celebrations (e.g. Black Pride, Latinx Pride, Diné Pride), events, and conferences.

Fundable Project Ideas:

1. **Project:** Establishing year-long working partnership with a community group that represents people of color to develop community based/culturally responsive support services and relevant materials.

Funds used for: space and materials for meetings, printing or purchasing materials, providing small stipend to project lead, translations (verbal and written)

2. **Project:** Develop a partnership with community group that works with individuals living with a disability to assess chapter activity and materials, develop an improvement plan, institute suggested changes, and develop a guide for other chapters to access.

Funds used for: fee for assessment, costs related to implementing changes (e.g. reprinting materials with better spacing / larger font, renting new space that is accessible), designer for guide

3. **Project:** Year-long learning series featuring diverse local speakers to talk about intersectionality/inclusion/community needs, partnering with local organizations (e.g., Latinx group, API group) to boost visibility and bring communities together.

Funds used for: space, speaker's fees, food and drinks, promotion, etc.

Funds cannot *exclusively* be used for:

Material translations
Sponsorships
Advertisements

Under no circumstances may PFLAG Inclusion Grant funds be used for political campaigns.

2020 PFLAG National Inclusion Grants & Microgrants: Requirements

General Information:

With the generous support of the Walmart Foundation and Bank of America, PFLAG National is offering \$1,500 - \$5,000 grants to support the work of PFLAG chapters eager to develop resources, tools, and strategies for better serving marginalized and underserved communities, with a focus on communities of color and those living with disabilities.

We will also be offering micro-grants of \$500 to support chapters that would like to attend, participate in, and sponsor community-specific Pride celebrations (e.g. Black Pride, Latinx Pride, Diné Pride), events, and conferences

Grant Recipient Affirmations:

- I agree to abide by the guidelines, expectations, and deadlines laid out by PFLAG National.
- I guarantee that grant funds will be used exclusively for the project described in this grant proposal.
- PFLAG National has permission to publicize that my chapter has been selected as a grantee and to provide constituents and stakeholders regular updates on this project.
- I verify that these funds will not be used to support a political candidate or a political party in any way.

Chapter Requirements:

- Recipient chapters must be in good standing
 - Chapters will need to provide a current Board Roster
 - The review committee will verify that the chapter has submitted an E-Postcard/Form 990 for the previous fiscal year
 - The review committee will verify that the chapter has submitted a financial report for the previous fiscal year
- PFLAG Inclusion Grant and Microgrant recipient chapters must commit to participating in a PFLAG Academy Online session about their project at completion of the grant cycle.
