- Bring valid ID and backups (voter registration card, utility bill)
- Share the #VotingWhileTrans guide with poll workers
- If needed, connect with a volunteer attorney on-site or call the National Election Protection Hotline (866-OUR-VOTE)
- Worst case, request and cast a provisional ballot and be sure to ask for follow-up instructions

Voting While Living With a Disability

- Accessible voting machines will be available at all polling places.
- Accessible voting machines have a large LCD screen with adjustable color, contrast, and font size. The machines are compatible with headphones and have a low force tactile interface.
- If you have a "visual impairment" you can request a "visually impaired absentee ballot," which will allow you to vote from home with a screen reader. You will need to print the ballot and return it in the envelope provided by the county clerk.
