Voting While Trans/Nonbinary

The state of Oregon does not provide any specific guidance for trans and nonbinary voters. Here are a few recommendations from Advocates for Trans Equality:

- Bring valid ID and backups (voter registration card, utility bill)

- Share the #VotingWhileTrans guide with poll workers

- If needed, connect with a volunteer attorney on-site or call the National Election Protection Hotline (866-OUR-VOTE)

- Worst case, request and cast a provisional ballot and be sure to ask for follow-up instructions
