**The voter registration deadline in Massachusetts, for the November 2024 election, is Saturday, October 26.**

## ID Requirements

In Massachusetts, identification may be required to register and cast a ballot. You may need to show identification before voting if you're voting for the first time, if you're on the inactive voter list, or if the poll worker has a "practical and legal reason" to ask.

## Absentee Voting

All registered voters are eligible for no-excuse voting by mail. Voters will receive a postcard application for their mail ballot in September.

If you need your ballot sent to a temporary mailing address, you must submit an absentee ballot application.

Mail and absentee ballots must be requested by Tuesday, October 29.

Mail and absentee ballots must be received by 8 pm on November 5.

You cannot drop your ballot off at a polling place on election day. You must mail it back, hand deliver it to your local election office, or use a ballot drop box.
