

Gender Spectrum Parent Community

PFLAG Connects: Communities provide a safe, virtual, moderated space where people with shared experiences can connect each month.

PFLAG National's PFLAG Connects: Gender Spectrum Parent Community brings together parents and caregivers of gender-diverse children, of all age, to create community, ask questions, and learn from others who have been through similar experiences.

Meetings are free and do not require PFLAG National or chapter affiliation. We hope you will join us at the next one!

EVERY 3rd MONDAY OF THE MONTH
