- Bring valid ID and backups (voter registration card, utility bill)
- Share the #VotingWhileTrans guide with poll workers
- If needed, connect with a volunteer attorney on-site or call the National Election Protection Hotline (866-OUR-VOTE)
- Worst case, request and cast a provisional ballot and be sure to ask for follow-up instructions

Voting While Living With a Disability

- If you have a permanent physical disability you may request to be placed on a designated list so that you automatically receive a mail in ballot.
- All voting locations should be in compliance with the ADA and HAVA and must offer accessible voting systems that include an audio ballot and the ability to enlarge text.
- Voters with limited mobility can vote curbside.
- If your polling place is not accessible, you may request a different polling place assignment by calling 800-NOW-VOTE.

Voting as a New Citizen

Naturalized citizens have the same right to vote as citizens born in the United States. VoteRiders, a nonpartisan organization focused on voter-ID, recommends that new citizens:

- Update ID documents to be sure your citizen status is reflected accurately.
- Check your voter registration to ensure that you are registered (and then check again before your state's voter registration deadline).
- Familiarize yourself with the laws in your state that have to do with voting. Verify if language assistance is readily available.
